- Artificial Intelligence in the Workplace: Challenges and Opportunities - 45 minutes

Keynote Speaker

Kevin Cassidy, Director of the International Labour Organization of the United Nations

Panel - Women at Work Today: Employment Gains and Obstacles

The COVID-19 pandemic has had far-reaching implications for economies and societies worldwide. One of the most pressing issues it has brought to the forefront is the impact on women & employment. This panel discussion delves into the multifaceted challenges and opportunities surrounding women's participation in the post-COVID workforce. Our expert panelists will provide insights into the unique obstacles faced by women, offer potential solutions, and discuss the importance of gender equity in the recovery process.

Speakers

- Vanessa Garcia, Performant Scout
- Ashley Kelly, JPMorgan Chase & Co.
- Marian Zapata-Rossa, Snell & Wilmer
- Richard Fincher, ASU Sandra Day O'Connor College of Law

Panel - Artificial Intelligence in the Workplace: Challenges and Opportunities

Artificial Intelligence (AI) is rapidly transforming the workplace and revolutionizing hiring practices. This panel discussion will explore the profound impact of AI on businesses, employees, and job seekers. Our panel of experts will offer an overview of the potential of AI in the workplace, with an emphasis on the opportunities and legal risks of employment discrimination in decision-making.

Speakers

- Dr. Charla Griddy-Brown, Thunderbird School of Global Management
- Melissa Shingles, Littler Mendelson
- Minky Kernac, Mercurio Analytics
- Richard Fincher, ASU Sandra Day O'Connor College of Law
